

TABLE TALK for the Week of Apr 2- Apr 6.

Here are some of the activities going on this week both in class and throughout the school that you could discuss at the dinner table, in the car, or anytime with your child. As always, please contact me with any questions/issues.

Dear Parent/Guardian,

Phew, all the field trip & class book deadlines have passed! A huge thank you for those who donated to the Pasta for Pennies Fundraiser that supports the Leukemia & Lymphoma Society. Ms. Sturzenegger & the Student Council will be counting all the classroom totals this week. I can't wait to see where our classroom placed schoolwide and if we met our class goal of \$200 so I have to come to school with pink hair!!

AZ Merit Test week is finally here! Thank you to everyone who donated supplies, the class will definitely love them this week during these stressful testing times. As of now I only have 4 motivational personal notes/letters for students. Please send it in Monday so they can be waiting for your child on their desk Tuesday morning.

Beginning April 13th we will begin preparing your child for middle school in a variety of ways. They will have to carry most books/supplies in their backpacks from classroom to classroom, they will have a different teacher (Mrs. Law, Ms. Pomeroy, & I) for Science, Math, & ELA classes. Each class will be approximately 55 minutes & they will have 5 min between classes to use the restroom, get a drink, etc. So if you get any Positive Paws, Bobcat Behavior notices, or emails for various teachers, you know why.

Below are the upcoming academic objectives & events for the week:
