

## TABLE TALK for the Week of Apr 9- Apr 13.

Here are some of the activities going on this week both in class and throughout the school that you could discuss at the dinner table, in the car, or anytime with your child. As always, please contact me with any questions/issues.

Dear Parent/Guardian,

What a great week for the SuperCrew!!!! First, everyone finished off all 3 components of the AZ merit testing & seemed to do really well. I can't wait to see the results!! They definitely enjoyed all the snacks too, so Thank You again for those who donated. Secondly, we did meet our class goal of \$200 for Pasta for Pennies Fundraiser, therefore, I had pink hair all day on Friday!! (class pic is attached) We ended up being the top classroom in the entire school by raising \$289, a \$161 difference over the 2<sup>nd</sup> place classroom! I truly thank everyone again who donated or allowed your child to donate for this worthy cause. The class will be rewarded with an Olive Garden catered luncheon sometime soon. I'm sure they won't let me forget about it! ☺

Now we get to delve into lots of fun & exciting curriculum and field trips over the next month and a half. The kids should really enjoy this stretch of the year. I sent out information preparing them for middle school & rotating classes. I attached the letter again for those who might have missed it. Over the next 2 weeks, the kids will also be receiving a briefing from the SMS guidance counselor & student council as well as taking a tour of the middle school. Lucky me!!! I get to see my oldest daughter then too (she's in SMS student council). Finally, the class will have a sub on Friday. I get to be a chaperone for my youngest daughter's field trip! Yeah....Daddy-Daughter time! ☺

Below are the upcoming academic objectives & events for the week:
