

## TABLE TALK for the Week of Dec 11-Dec 15.

Here are some of the activities going on this week both in class and throughout the school that you could discuss at the dinner table, in the car, or anytime with your child. As always, please contact me with any questions/issues.

Dear Parent/Guardian,

Last week's gift shopping at the Kids Korner went well, hopefully your child got any gifts they purchased home safely. As the weather is getting colder outside, please ensure your child brings/wears a jacket & yes, we are continuing to enjoy hot chocolate in the mornings. I ask if you can donate any hot chocolate and/or 8 oz styrofoam cups, it would be greatly appreciated by the class. Thank you so much for those who have already donated some supplies. I...and the class really appreciate it!!

As part of the "Secret Santa" gift exchange, I asked students to bring in just a little treat/something for their "Secret Santa" person ON TUESDAY. I suggested something like a piece of candy, a small candy cane, pencil, etc. As I previously mentioned, our class will have holiday party on the 20<sup>th</sup>. The class voted on what movie to watch & HOME ALONE won. I already have signed movie permission slips from most of you so please let me know if you DO NOT want your child to watch Home Alone. Thank you!

I also sent out a signup genius with all the holiday party treats/supplies on it. Please signup for items you can donate for the class & ensure your child brings in that item NLT Dec 19<sup>th</sup> !! Here's the link for those who need it: [www.SignUpGenius.com/go/4090948AFAC2BA6F58-christmas](http://www.SignUpGenius.com/go/4090948AFAC2BA6F58-christmas) The last part of our Dec 20<sup>th</sup> holiday party is to ensure every students brings their lunch in that day. So please pack a lunch for your child, or at least a main meal such as a sandwich, lunchable, etc. since we will have plenty of treats for the class to enjoy. Lastly, the class will have a substitute teacher on Thursday & Friday since I will be out for medical appointment. As always, please contact me with any questions/issues.

Below are the upcoming academic objectives & events for the week:

**Math-** Dividing Fractions using models

**ELA-** Synthesize information from multiple print or digital sources to answer questions or solve problems.

**Science-** The different systems of the human body.

**Dec 11<sup>th</sup>-**
