

## TABLE TALK for the Week of Dec 4-Dec 8.

Here are some of the activities going on this week both in class and throughout the school that you could discuss at the dinner table, in the car, or anytime with your child. As always, please contact me with any questions/issues.

Dear Parent/Guardian,

Progress reports and the Kids Korner Gift Shoppe flyers were sent home last Tuesday, hopefully you have read them. This was also the first week where your child's Tenmarks.com assignment grade will be entered into the gradebook. If their grade shows as a zero & missing, that means they never finished the assignment (which is assigned on Mon & due by Sun). Once again, I expect this assignment to be completed at home although I provide 1 hour in the computer lab to complete it. I encourage you to continue monitoring your child's grades & missing assignments using Powerschool.

This week, your child will be shopping for you on Thursday, please ensure your child has cash if they are going to purchase gifts. Since the weather is getting colder outside, we are continuing to enjoy hot chocolate in the mornings. I ask if you can donate any hot chocolate and/or 8 oz styrofoam cups, it would be greatly appreciated by the class.

Lastly, the class voted to have a "Secret Santa" gift exchange with their classmates on Wed, Dec 20<sup>th</sup>. If you allow your child to participate, please purchase a gift around \$10 for the person your child selects tomorrow. Then wrap your gift, do not put a name on it, & ensure your child brings it to class NLT Dec 19<sup>th</sup>. I ask that if you sign your child up to participate that you PLEASE, PLEASE ensure they bring their gift in!!! I do not want any child (that signed up) going without a gift during our gift exchange. Thank you for your cooperation. We will also have our holiday party on the 20<sup>th</sup>, more info to follow next week.

Below are the upcoming academic objectives & events for the week:

**Math-** Dividing Fractions

**ELA-** Main Idea & supporting details.

**Science-** The different systems of the human body.

**Dec 4<sup>th</sup>-** Gift Shoppe: Viewing Only.
