

TABLE TALK for the Week of Jan 22-Jan 26.

Here are some of the activities going on this week both in class and throughout the school that you could discuss at the dinner table, in the car, or anytime with your child. As always, please contact me with any questions/issues.

Dear Parent/Guardian,

Love of Reading week is almost here! It's Feb 5-8th & I'm inviting you to come in to read a book to your child!! If interested, please plan to read your favorite childhood book (you bring in) for 15-20 min to the entire class. If you'd like to volunteer, please email me with the day & time that works best for you. The time periods available range between 7:30-9:15, 10:15-11:15, & 12:10-1:45 every day.

As of tomorrow, there's only 3 weeks left for your child to complete their Q & A History Project. The written report is due Feb 12th & class presentations will given during the week of Feb 12th-16th. Please see the attachment & contact me with any questions. Another reminder about the weekly Tenmarks assignment, if your child fails (below 80%) the assignment the first time, they should take the amplifier so they can re-take the assignment to raise their grade. Currently, several students show little effort & fail to do this. Please use your username & password to log on & check their progress. If you need it again, please let me know.

Below are the upcoming academic objectives & events for the week:

Math- Area & Volume

ELA- Author's Perspective in writing
