

TABLE TALK for the Week of Nov 6-Nov 10.

Here are some of the activities going on this week both in class and throughout the school that you could discuss at the dinner table, in the car, or anytime with your child. As always, please contact me with any questions/issues.

Dear Parent/Guardian,

Work Hard, Play Hard!! That was our class motto last week as the students certainly worked hard and navigated a fire drill & had ELA & Math homework M, W-F last week. Unsurprisingly, there has been an increase in missing assignments so please continue to use Powerschool to monitor your child's grade & assignments. If you need your students ID & password, please contact me. We also had a blast at the basketball courts (during our brain break) & our class Halloween party!! During the party the Super Crew enjoyed playing trivia, games, and the snacks/sweets of course. Thanks again to those parents who sent food in. Please ask your child what they learned/enjoyed the best!

This week we are continuing to review all previous ELA & Math objectives in preparation for the Galileo tests next week. The students will also have homework M-Th this week. On Tuesday, the class will have a substitute teacher as I will attend Professional Development training. Lastly, there is a Veteran's assembly on Thursday in the gym at 9:00am & a PTP meeting on Monday in the library at 6:00pm. Feel free to come by and be part of either event.

Below are the upcoming academic objectives & events for the week:

Math- Review of all 1st quarter objectives

ELA- Review of all 1st quarter objectives

Science- The different systems of the human body.

Nov 6th-

Nov 7th- Class will have a substitute teacher.
