

TABLE TALK for the Week of Oct 2-6.

Here are some of the activities going on this week both in class and throughout the school that you could discuss at the dinner table, in the car, or anytime with your child. As always, please contact me with any questions/issues.

Dear Parent/Guardian,

I'm proud to say a large majority of the students who re-attempted a formative increased their score!! Mission accomplished!! The class also seemed to really enjoy learning about the skeletal system as well. This week is our state presentations/report starting on Oct 4th. I sincerely hope your child is ready!

As you know, fundraising has picked up this time of year. Currently the class is in 3rd place in the SIS Battle of the Box Tops so please send in those boxtops so we can get into the lead again! Also, the Pizza fundraiser packets are due on Oct 6th, so please continue with the online orders until then. Lastly, we are starting a canned food drive to support the Sahuarita Community Food Bank. The drive runs from Oct 2nd-13th so please send in any nonperishable food items you can spare/donate.

Finally, thank you to everyone who signed up for the Parent/Teacher conference already. If you have not, please sign up using the signup genius link I previously sent out. If you need me to resend it, please contact me.

Below are the upcoming academic objectives & events for the week:

Math- Adding/Subtracting Fractions

ELA- The different kinds of genre.

Science- The different systems of the human body
