

TABLE TALK for the Week of Oct 30-Nov 3.

Here are some of the activities going on this week both in class and throughout the school that you could discuss at the dinner table, in the car, or anytime with your child. As always, please contact me with any questions/issues.

Dear Parent/Guardian,

It was great to meet & talk to all of you during the past week of Parent/Teacher Conferences!! For those parents I had conference calls with or those who simply forgot your paperwork, I'll be sending home your child's report cards tomorrow.

Tuesday the students will participate in a SIS costume parade & I'm throwing, quite possibly, their last school Halloween party in the afternoon. So don't be alarmed if your child brings home some gifts & goodies from me that day. Also, please keep in mind that students will be allowed to wear their costumes, but they are not allowed to wear masks, they may not have their entire face painted, and no weapons, blood, or gore. On Thursday students will have a test on the skeletal system. I attached the same diagram your child should have completed at school to help them study.

Lastly, in an effort to prepare the students for the upcoming Galileo tests in Nov, I will be reviewing all the previous objectives until Nov 15th. Expect your child to bring home homework on Mon, Wed, Thurs, & Fri this week!! As always, please contact me with any questions.

Below are the upcoming academic objectives & events for the week:

Math- Review of all objectives

ELA- Review of all objectives

Science- The different systems of the human body.

Oct 30th-

Oct 31st- Halloween parade & party.

Nov 1st- Bobcat Assembly @ 7:45 in the gym. Early Release Day. Spelling Test.

Nov 2nd- Skeletal System Test (attached).

Nov 3rd- PTP Out of Dress code! \$1 or 10 box tops. No Formatives.

Other notes:

Nov 9th- Veteran's Day Assembly @ 9:00am in the gym. Families are welcome to come in and watch the program.

Nov 10th- No School to honor Veteran's Day!
