

TABLE TALK for the Week of Sept 11-15.

Here are some of the activities going on this week both in class and throughout the school that you could discuss at the dinner table, in the car, or anytime with your child. As always, please contact me with any questions/issues.

Dear Parent/Guardian,

Last week was a busy one! The "Super Crew" had their first Bobcat Assembly & substitute teacher, watched all the Student Council speeches in the gym, & then voted on them in the computer lab. Additionally, we celebrated 2 birthdays, started studying our state capitals, planned a trip to Disneyland using decimals, & enjoyed learning Mandarin Chinese again too!

Once again, the state capital test is on Sept 21st & retake is Sept 26th. Please continue to help your child study at home. Also, I suggest you continue using Powerschool to monitor your child's grades & if they have any missing assignments. I never like it when parents are surprised when they get their child's progress reports or during parent/teacher conferences.

Finally, on Tuesday I am assigning our State Report & giving the students over 3 weeks to prepare. I'm also giving the students a folder to use. Both the 2 page written report as well as the oral presentation (using the folder) is due Oct 4th. We will be presenting in class from Oct 4-6th. As always contact me with any questions/concerns.

Below are the upcoming academic objectives & events for the week:

Math- Add, Subtract, Multiply, & Divide Decimals to the thousandths using models & drawings.

ELA- Determine an author's point of view when reading a story, text, poem, etc. Demonstrate the proper use of punctuation & commas.
