

TABLE TALK for the Week of Sept 18-22.

Here are some of the activities going on this week both in class and throughout the school that you could discuss at the dinner table, in the car, or anytime with your child. As always, please contact me with any questions/issues.

Dear Parent/Guardian,

We are in the 3rd & final week learning about & completing real-world activities involving +, -, x, & / decimals. Their big test is this Friday. Also, the students have 2 weeks to complete the Problem of the Week so no need to rush the assignment. Additionally, over the next 2 weeks I will also giving the students another opportunity to pass a formative that they did not pass before. Check their Powerschool for updates. Progress Reports & the Fall Little Cesar Fundraiser packets were sent home on Friday. If you did not receive contact me immediately.

SIS Fall Photo Day is on Friday. The students are allowed to be out of uniform for it! Please continue to ensure your child is preparing for the state/capital test this Thursday and their State report, written 2 page report, and presentation. It is due Oct 4th & we will present to the class Oct 4-6. I also encouraged students to bring in an object, personal pictures, or even food from their states to show/share during their state report presentations. Please assist them with ideas for this!!

Finally, I sent out invites for the Parent Teacher Conferences. Please sign up when you can & contact me if none of those time slots work for your schedule.

Below are the upcoming academic objectives & events for the week:

Math- Add, Subtract, Multiply, & Divide Decimals to the thousandths using models & drawings.

ELA- Making inferences based on textual evidence & pictures.

Social Studies- Matching the states and their capitals on the U.S. Map.

Sept 18th-

Sept 19th-

Sept 20th- Early Release Day. Spelling Test

Sept 21st- State/Capital Test. Re-test on Sept 26th.
