

TABLE TALK for the Week of Sept 25-29.

Here are some of the activities going on this week both in class and throughout the school that you could discuss at the dinner table, in the car, or anytime with your child. As always, please contact me with any questions/issues.

Dear Parent/Guardian,

I'm so proud of team "Super Crew"! Most of the students did really well on the state capitals test! Next up is our state presentation & report due Oct 4th. Picture day also went well too, all the students looked so handsome & beautiful all dressed up. I'd also like to remind everyone to continue to quiz your child on their spelling words. We had an increased amount of students fail the spelling test on Wednesday this past week.

Later this week you could be seeing some changes in your child's past formative scores. Since there are no objectives this week, I plan to reteach past lessons/objectives and provide another opportunity for students to pass their formative(s). For those that already aced their test, they will enjoy fun enrich projects, assignments, & games to provide deeper understanding of the content.

Finally, this week also starts the SIS Battle of the Boxtops!! So please send in those boxtops. Thanks again for everyone who already signed up for a Parent/Teacher Conference date/time. If none of those date/times work for you please contact me so we can do a teleconference.

Below are the upcoming academic objectives & events for the week:

Math- None

ELA- None

Social Studies- Capitals re-test
